FOREST FIRE WARDEN'S REPORT

DANGER FROM FIRES IN WOODLANDS

WOODLAND LITTER, WHEN DRY, IS HIGHLY INFLAMMABLE AND FIRES CAN QUICKLY GET OUT OF CONTROL. WE REQUEST YOUR CO-OPERATION TO CONTROL ALL FIRES SO THAT LIVES AND PROPERTY MAY NOT BE ENDANGERED OR DESTROYED, AND FORESTS BE KEPT GREEN TO FURNISH THE NATURAL BEAUTY WE ALL ENJOY AND TO GROW TIMBER WE WILL NEED.

WHAT IS "WOODLAND"?

The term "woodland" is defined by law to include, "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

WHEN IN THE WOODS, YOU ARE EXPECTED TO EXERCISE CAUTION IN THE USE OF FIRE AND TO REMEMBER THAT

IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on land of another without permission from the owner or his agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

VIOLATORS ARE SUBJECT TO THESE PENALTIES

Anyone letting a fire escape from control, whether

or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.00.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.00.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200.00 or imprisoned 60 days.

DAMAGES

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

BE SURE — GET A PERMIT

Incinerators should be tight, with a close mesh screen, and be on clean ground.

Open fireplaces used to burn rubbish are classed as incinerators.

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Have incinerators inspected by the Forest Fire Warden and get his written permission.

Respectfully submitted,

MARION W. DAVIS, R. N.

Control and prevention of tuberculosis in our town is made possible through tuberculosis Patch Tests yearly in the school. Each year this test is offered to pupils in Grades 1, 4 and 7, also to any new pupils from another school. Also Chest X-ray Clinics are held for children of all ages and adults through co-operation of N. H. Tuberculosis Association.

Through the help of the School Board and State Dental Matching Fund some much needed dental work has been done.

The response of the parents to the Salk Clinics has been most gratifying. These clinics furnished inoculations for children 6 months to 20 years old. Of the children not in school 273 out of 290 have had their inoculations. Of the present school group 176 out of 185 have had their inoculations. This is a record Ossipee should be proud of.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Osspee:

During the school year 1955-56 the teachers in
the Ossipee Central School were:

Principal	Mr. Charles Pinkham
Grade 8	Mr. Vincent Howley
Grade 7	Mrs. Ruby Pearson
Grade 6	Mr. Philip Michael
Grade 5	Mrs. Frances Pinkham
Grade 4	Mrs. Leda Knapp
Grade 3	Mrs. Florence Eldridge
Grade 2	Mrs. Lucinda Gilman
Grade 1	Mrs. Alice Loud

The staff for the current year remains the same except that Mrs. Leda Knapp, who resigned last June, was succeeded by Mrs. Lillian Godfrey. Mrs. Godfrey was formerly a member of the staff. We are fortunate to have such a competent group of teachers who are devoted to the interest and welfare of the children in their care.

The total enrollment in the Ossipee Central School was 207 with an average membership of 197.3. Enrollment for the current year is 187. The census returns indicate that the enrollment should remain about constant for the next three years.

There were 51 Ossipee pupils enrolled in Kennett High School, 9 in Brewster Academy, 2 in Spaulding High School, and 1 at Nute High School, a total of 63. Ten seniors were graduated. For the current year there is a total high school enrollment of 73. Of these

19 are seniors. There are 28 pupils in the present 8th grade. This indicates a probable high school enrollment of 80 or over in 1957-58.

High school tuition rates for 1955-56 were as follows: Kennett High School \$290.00, Brewster Academy \$275.00, Spaulding High School \$256.50 and Nute High School \$260. Tuition rates for the above high schools in the same order, for the current year are:—\$305.00, \$295.00, \$275.00, and \$275.00. Total expenditure for high school education was \$23,806.96 an average of \$402.82. The state average total cost per pupil for 1954-55 was \$422.87. Net cost of high school transportation was \$4,554.56.

The tax rate per \$1,000.00 equalized valuation for the year 1955-56 was \$14.90. The median school tax rate for the state for the same year was \$15.70, and the average \$11.90. The per cent of total property tax assessment designated as the school assessment was 61.00% compared to the state median of 61.52% and the state average of 49.07%.

No state aid was received and none will be received this year. Under the present formula for distribution and amount of money appropriated by the state, Ossipee is not eligible to receive state aid.

A new furnace of larger capacity was installed during the summer of 1955 to provide more adequate heating of the building. At the same time some changes were made in the radiation system to make it more efficient. The entire system is now divided into three zones.

The school health program was under the able supervision of Mrs. Marion Davis, R. N. The Salk

Polio Innoculation Program that was initiated in 1954 was continued through the cooperation of the State Department of health, Dr. Dube, and Mrs. Davis. Several pupils in need of dental care were transported to Wolfeboro to a dental clinic.

At the last Annual District meeting by vote of the district the School Board was authorized to buy a new high school bus to be paid for by approximately \$4,200.00 then in the Capital Reserve Fund and an additional \$2,000.00 appropriated at the meeting. A 66-passenger bus was bought during the summer and is now used on the Conway route. One of the old busses is used for transportation of pupils to Brewster Academy.

The very helpful cooperation of the school board, teachers, citizens, and pupils is sincerely appreciated.

Respectfully submitted,

EVERETT H. BRASIER
Superintendent of Schools
